Our team

Before joining the team, GoGlobal members worked in business or in civil sector in different directions.

After the Revolution of dignity, with the aim of European integration, we have agreed that the knowledge of foreign languages, first of all English, is a basic need and the only opportunity to be heard around the world. Our values are result-oriented, global thinking, readiness for the challenges, "win-win" partnership and harmony inside the team.

GoCamp Formula

The camp program aims to develop children's life skills and values

Orientation training for volunteers to help foreigners adapt in Ukraine

Training for teachers to develop a special program for the selected camp strand

Strands: STEAM, Citizenship, Leadership & Career, Sport & Health

Host family for volunteers

Foreign volunteers

We cannot change the system without training
the teachers and volunteers.

GoCamp teachers will go through intensive training sessions to learn to work a new way, to step away from the traditional teacher role, and learn to be a mentor or a facilitator for their students, to allow learner autonomy in their classrooms to bring up a new generation of young leaders who will succeed in the fast-pacing world of innovations and technology.
